

Founder's Award

In 1981, in response to requests from Lodges, the National Committee established the Founder's Award to memorialize founder and co-founder E. Urner Goodman and Carroll A. Edson. The Founder's Award was created to recognize those Arrowmen who have given outstanding service to the lodge and who memorialize in their everyday life, the spirit of achievement as described by founder Goodman.

Founder's Award Medal

Recipients are entitled to wear a special ribbon
