

## Lodge Executive Committee (LEC) Meetings

The Lodge Executive Committee Meetings (LEC) are open for any Order of the Arrow member to attend. However, the Lodge Officers, Mowogo's Section Officers and Advisers, Committee Chairmen, Chapter Chiefs and Advisers are required to attend. If any of these individuals cannot attend they should inform the Lodge Chief and send a representative with a report to read in their place. All members whose attendance is required will receive a reminder prior to LECM's that do not occur during a lodge function.

There are LECM's on Friday night and Sunday morning of every function that is held at a council property. There are also LECM's at the Jefferson Scout Office in the weeks preceding a function. These LECM's will start PROMPTLY at 2:00 p.m. and will be kept as short as possible.

From Interstate 85 take Highway 129 north passing the Flea Market on the left and continuing up the hill. You will see the Council Headquarters on the left at the top of the hill. As you see the building, turn left onto a road in between the Flea Market and the Headquarters. Turn right at the next road (Boy Scout Trail). Turn right into the parking lot. LECM's are held in the conference room (after entering make a sharp left, it's the first room on the left).
