Honors and Awards

SECTION 1: Vigil Honor Membership (Note: This section is changed only to match the Lodge's current process)

Attainment of the Vigil Honor shall be in accordance with the current edition of the *Order of the Arrow Handbook* and the current *Order of the Arrow Guide for Officers and Advisers*.

The Lodge Chief shall appoint a Vigil Committee and a chairman for the committee. Membership on the committee will be open to any youth member, with the exception of any

member who would be subject to consideration for Vigil Honor Membership. Each Chapter shall have at least one member on this committee. An Adviser for this committee shall be appointed by the Lodge Adviser.

The Lodge Adviser and Vigil Adviser shall ensure that two-deep leadership requirements are met at all meetings. Adult participation and involvement shall be kept to a minimum. No adult may be present during deliberations of the committee without permission from the Lodge Adviser and/or the Vigil Adviser.

In keeping with the current *Order of the Arrow Guide for Officers and Advisers*, only youth members may vote upon decisions.

The Adviser to the committee shall collect Vigil nomination forms from the Lodge membership and provide them to the committee. The Adviser shall also provide a list of all Vigil-eligible youth to the committee.

The number of slots allotted to the Lodge by National shall not be shared with the committee. The number shall not be considered when voting upon members unless the number of selected candidates is larger than the number allotted. In that case, the Adviser will tell the committee that they need to “whittle down” the list.

Voting shall be by secret ballot. A candidate shall require a supermajority of votes to be selected. Unanimous voting shall not be required as this empowers a single voting member to sway the entire process and decide who is “not” to be selected.

Only after the youth candidates have been selected will deliberations on adult candidates occur.

The same process used to select youth will be used to select adults. The Vigil Ceremony will be conducted by persons appointed by the Vigil Committee.

SECTION 2: Founder’s Award

In keeping with the current *Order of the Arrow Guide for Officers and Advisers*, only youth members may vote upon decisions.

The Lodge Chief, with advice and approval of the Lodge Adviser, Lodge Staff Adviser, and Supreme Chief of the Fire, shall annually appoint a Founder’s Award Committee.

Annually, the Lodge Adviser, with the advice of the Lodge Chief and the Lodge Staff Adviser, shall appoint an adult Adviser to the Founder’s Award chairman.

Annually, the Lodge Chief shall appoint a youth (under age 21) Founder's Award Selection Committee. The committee shall consist of:

- A. A youth representative from each chapter. Previous recipients of the Founder's Award who are under the age of 21 shall be given preference in selection for serving on this committee,
- B. The Lodge Chief may appoint two additional youth to serve as "members at large",
- C. The Lodge Chief is an ad-hoc non-voting member of this committee,
- D. All previous Founder's Award recipients, regardless of age, are encouraged to participate in the committee in the following manner:
 - 1. All deliberations shall remain within the committee and shall not be shared with the general membership of the lodge.
 - 2. De-facto youth members of the committee (previous recipients of the award) younger than age 21 may vote.
 - 3. Adult Founder's Award recipients age 21 or older are encouraged to participate in the selection committee by serving as Associate Advisers to the committee. Associate Advisers are encouraged to discuss prospects and help create consensus. Youth members of the committee are encouraged to listen to the recommendations made by these adult advisers. However, no adult shall pressure any youth regarding votes on award presentation.
 - 4. The role of the Adult Advisers on the committee is not to select the next award recipient. However, their role is to mentor and advise the youth committee as to the qualities of award candidates as well as knowledge about adults unknown to the youth. This "adult association" is an important "scouting method" that should not be overlooked as it is particularly important to preserve the history and integrity of the award. The inclusion of previous recipients who are adults is meant to provide a means to introduce and educate the youth to the long-standing history of this lodge in the selection of recipients and to preserve the high honor of the award. Advisers introduce the youth to the histories of adults who serve for many years and may have been considered in the past but were not selected.
 - 5. Other than following the guidelines of the *Bylaws of Mowogo Lodge*, having youth who are non-recipients of the award serve in the selection process is meant

to educate the youth of the significance of the award and to provide a means by which this significance is conveyed to all other members of the lodge. No requirements shall be placed upon the award except those which are outlined in the current *Order of the Arrow Guide for Officers and Advisers*.
