## Chiefly Speaking

Brothers,

The Centennial year wouldn't be complete without a Centennial Celebration Event and this weekend is ours! As your Chief and brother I encourage you to have the best time possible, I know I will. We have a lot of awesome things planned that will make this a truly once in a lifetime experience. Our brothers involved in Indian Affairs are going to have awesome ceremonies for us. We will get to compete again to take home the Black Bear and bragging rights to our home chapters. We will be taking a lodge picture for our Christmas Banquet Patch. We also can't forget that it's that time of year for elections. This will be a Centennial Celebration for the history books.

The weekend will be busy and exciting but do not forget to stop and look around. We will have failed if we do not further forge bonds of brotherhood. I still have time as your chief but as I see that sun begin to set I hope you all know it has been a wonderful experience serving with you.

Yours in Brotherhood,

*John Luke Gallagher*

## Ani-Gatogwewi Chapter

Brothers,

Ani-Gatogwewi had a strong presence at Pre-Camp this year as we inducted in 9 new Ordeal members and 1 Brotherhood conversion. Since Pre-camp, Ani-Gatogwewi has had two chapter meetings. Our first chapter meeting was at our local bowling alley, which had about 20 people show up for pizza and bowling. Our second chapter meeting happened at our local district round table and was focused more on our Pow Wow game assignment and how we can have more of a presence in the community. We had nine member of the chapter attend NOAC as contingent members and several as staff members. Our goals for the New Year are to have a chapter fellowship/work weekend at camp Rotary and conduct more Cub Scout Crossover Ceremonies. Camp Rotary is the Council camp in our chapter and it is a bit run down so we are hoping we can improve on that. AGG is looking forward to continued chapter growth next year and is planning on having several people attend the winter banquet.

## Japeechen Chapter

Brothers,  
Japeechen Chapter had a fantastic summer! Once again a large number of our members served in Staff positions at both Camp Rainey Mountain and Scoutland. The Japeechen chapter has had good attendance at our last two meetings. Seventeen Japeechen brothers were able to attend and experience the 100<sup>th</sup> anniversary NOAC. A few of our brothers participated in the closing ceremonies. It was a great experience for all to attend.

At our last chapter meeting we elected all of our 2016 chapter officers.

Manuel De Armas.....Chapter Chief  
Calvin Sringham.....Vice Chief of Membership  
Ryan Strozensky.....Vice Chief of Indian Affairs  
Kurt Knaut.....Vice Chief of Communications

We are looking forward to Pow Wow and this year's "Quest for the Black Bear Competition" where we will be hosting the Pie Eating Contest and are also looking forward to LLDC and Christmas Banquet, which follow soon after.

Yours in Service,  
*Manuel de Armas*

## Jutaculla Chapter

Brothers,  
Jutaculla chapter has been busy preparing for the days ahead. We have prepared for Pow-Wow finalizing our T-Shirt design, speaking about chapter elections, and discussing the game we will be in charge of.

We have also prepared for the Winter Camporee, which the Jutaculla chapter is running. We have chosen the theme of the camporee, figured out how to run the camporee, and how to promote the call out ceremony at the winter camporee.

We have started gathering and drying firewood for our fires, preparing new ways to light the way to our ceremony ring, and discussed alternative "scripts" for the ceremony itself. I hope to see all of you attend and be a part of this amazing ceremony, and I hope to see you all at Pow-Wow so that we can have a great opportunity to come together in brotherhood and have a great time.

## Lau-in-nih Chapter

Brothers,

The Chapter has been busy. At NOAC Stephen Pierce placed in the top 10 in individual dance and JJ Murray, Christopher Steele, and Daniel Pierce also competed. In the group dance competition, the team competing was largely made up of members of the Chapter's dance team. While they did not win the competition, the judges each remarked that they had never seen the ribbon dance done with six ribbons and never seen it done better. Christopher Steele and Will Carroll also competed in the ceremony competitions. Sam McClure and JJ Wiggs were part of the Northern singing and drum competition in that placed third nationally. Many thanks to their adviser, Alex Foster. Corey McClure served as part of the official NOAC press corp reporting on all the happenings at NOAC.

In late August the Chapter helped the Gwinnett County Parks Association with fall community camping program. The Chapter helped the 72 campers select their camp sites, helped set up their tents, and built and managed their two bonfires. In our recent Chapter meeting we are preparing for Pow Wow and our District's Fall Camporee.

Yours in Service,

*Daniel Odom / Christopher Steele*

## Machque Chapter

Brothers,

Machque chapter ended the summer with an outstanding NOAC experience. Twenty five Machque chapter members attended the event, including several who served on staff. All had a great time. We held our last meeting on Thursday, August 13 at Blue Ridge United Methodist Church and discussed plans for the upcoming Pow-Wow. Machque chapter members are determined to keep the Black Bear award. We are looking forward to an outstanding year filled with exciting events. We are especially excited about hosting our section conclave at Camp Rainey Mountain in April.

We plan to complete all of our unit elections in the September / October time frame and have our annual callout ceremony at our Fall District Camporee.

## Vice Chief of Administration

Brothers,

Being the Vice Chief of Administration was a great challenge in my scouting career, but I know that I'm good at leadership positions. Earning My Eagle Scout at fourteen people kept telling me I was too young but really I was smart if I had to get my Eagle project done now it would never get done with it with how active I am at my high school. If you don't know me once I want something I set my mind to it and get it done. One of my favorite people I look up to is my dad and my Scoutmaster they showed me how to be serious sometime and also have fun while doing it. If it weren't for my dad I wouldn't have my Eagle Scout or my Ranger Award. He pushed me to the person I am today and I thank him for it. I would recommend anyone to run for a lodge position it has shown me why my dad and my scoutmaster pushed me to get things done so I can teach others and I want all the Arrowmen to know don't be afraid to do things be active in the lodge and get your name out there.

Yours in Service,

*Zachary Brooks*

2015 Vice Chief of Administration

## Vice Chief of Communications

Brothers,

I hope you enjoy Pow-wow. I'm sure all of you will compete fiercely in the Black Bear challenge. Mowogo is thriving incredibly, year by year we are growing in our numbers. It is awesome to see that we have as many people as we do compete in our games. For those who have gone to NOAC, it was an awesome event. Mowogo competed fiercely in many events including Indian dance, Drumming, and the O-A Warrior challenge. This NOAC is definitely one to remember. I hope the rest of your year is rewarding, and I hope to see you at Christmas Banquet. I am your VCC and brother bound in brotherhood.

Yours in Brotherhood,

*Hunter Macauley*

## Vice Chief of Indian Affairs

Brothers,

Pre-camp was a success as we inducted many new arrowmen into our order, and did an excellent job performing our ceremonies. Mowogo Lodge was well represented in Indian Affairs this past month at the 2015 National Order of the Arrow Conference, celebrating the 100<sup>th</sup> anniversary of our order. We competed in ceremonies, northern drum, team dance, and individual dance in nearly every style. We proudly placed third in drum and our former lodge chief, Steven Pierce, made it to the Top 10 in the Northern Traditional style of dance. I am excited to take our competitions to the next level as we begin a new century of our order. I look forward to a successful weekend at Pow Wow and hope to see you all at our next event, Christmas Banquet.

Yours in Brotherhood,

*Alex Carmichael*

2015 Vice Chief of Indian Affairs

## Vice Chief of Membership

Brothers,

I would first like to thank all the Elangomats who have helped out this past March and May. You were a part of the influence that helped our newest members get the most of their ordeal experience. That experience is what allows us to continue to grow and develop as a lodge. At the May ordeal, Tim Pouncey returned to Mowogo Lodge from the Marines to go through his Vigil ceremony and then the following day volunteered as another Elangomat. Finally a thank you to Manuel for leading successful training weekends and coordinating Elangomats during the Ordeal weekends as the Elangomat Chair.

*JJ Wiggs*

## The Amazing Race Scavenger Hunt

### Presented by the Ani-Gatogewi Chapter

In the amazing race scavenger hunt, your chapter is responsible finding a location from the clues below, which lead to one specific place at CRM. When found, take a picture on a smart phone or digital camera with **3 members of your chapter in the picture as well (except for clue #1)**. Please show your pictures to the AGG representative at the dining hall porch from 4-4:30 on Saturday. The chapter with the most correct pictures will win the hunt. In the case of a tie, the chapter that turns in the correct pictures first wins.

The clues are:

1. Take a picture with your entire chapter anywhere.
2. This is where the bows are strung, arrowheads and fletching found among.
3. This campsite's name can be found on a fireplace.
4. A scout is reverent in the woods.
5. Line up here before your Ordeal, but don't litter.
6. The Founders doorway.
7. The campsite that won the west.
8. Rushing for Gold? You'll just have to cope with falling water.
9. "Have you seen the arrow?" (Secret rock formation)
10. Here lies the remnants of the long haired ones.

# Arrowman Service Award

Brothers,

We all have an opportunity to earn the once in a lifetime Arrowman Service Award. Even if you are a brand new Ordeal member in the Order of the Arrow you have until December 31<sup>st</sup>, 2015 to complete the requirements for the Arrowman Service Award (ASA or "Sash Patch"). The goal of this award is to encourage Arrowmen to commit or recommit to the OA, to increase your level of service and to participate in the Order's wide range of Centennial events. This Pow Wow will be our Lodge's Centennial Celebration event and the patches for this award are on sale in the Trading Post. It has been 40 years since the Order of the Arrow authorized a patch to be worn on your sash so finish up your requirements before year-end and present your scorecard to the trading post. This award is one that you don't want to pass you by because I have only seen one ASA from 40 years ago and it was from someone in another lodge. Don't miss your chance!

Adult and Youth scorecards can be found near the end of this newsletter

# Mowogo Museum

Brothers,

We need your help! We are looking for a few good Arrowmen interested in helping with the Mowogo Lodge Boy Scout Museum at Camp Rainey Mountain. These individuals, adult and youth, will help maintain the Museum and help with the development of the displays within the Museum. The volunteers should have interest in being a curator and learning the skills necessary preserving the displays and materials for the future. If you are interested please send me your name, e-mail and phone number, along with any special talent or interest you may have including but not limited to painting, leatherwork, costume making etc. You should contact Mr. David Moore by email [dmoore1414@charter.net](mailto:dmoore1414@charter.net) or phone (404)-661-7307.

Brothers,

Are you into cars? Me – I’m a Jeep guy. I absolutely love Jeeps – and I’ve owned quite a few over the years. I like them authentic and original – the way they were designed by their engineers. But I’ll take them with aftermarket modifications if I must. One reason I love Jeeps is because of their history. They literally are battle proven (starting in World War II). That’s not to say that today’s military vehicles are less than Jeeps, but when you look at the HUMMV of today you can see the genetics of their great-grandfathers in them still to this day. Recently I saw a 1941 GP (old Army Jeep) which sold for \$45,000. Why would anyone pay that much for a 74 year old Jeep?

One thing I know about car manufacturers is that they try out their concept cars on some of the worst roads that they can find. And if they can’t find ordinary roads that are bad enough, they build special tracks with ruts, bumps, and potholes that simulate the worst of conditions. That’s how the original Jeep (known as the Bantam) got its start – at the Aberdeen Proving Grounds.

It is not hard to imagine why car engineers do this. They want to find the weak spots so that they can fix them before the cars go to market. Fortunately, they don’t have to start from scratch every time they design a new vehicle. Take today’s military HUMMV for instance; its engineers had over 40 years of war experience with the Jeep where they learned from mistakes, found weak spots, and found what worked and what didn’t.

Did you know that scouting is sort of like a car manufacturer’s proving ground? In scouting we put youth and adults into close quarters and then challenge them with camping, backpacking, and tasks more or less distasteful; basically throwing at them (in a test environment) just about every stressful opportunity to break. In this environment, the weak spots show through like a giant spotlight is shining upon them.

Fortunately, you scouts and scouters have some “old Jeeps” to serve as a guide and a model for the future. Yes we have new ideas and “technology” to apply to the new models that were not available 20 and 40 years ago, but at its root, scouting is still the same – and so is human character. The basics are the same – it hasn’t changed.

## Lodge Advisor Minute - Continued

As we go into a new Century of the Order of the Arrow, I would like for each of you to look to the old Jeeps of the Lodge for ideas and advice. A good place to start is with our Centurion Award recipients (but I challenge you - don't stop there). Each of them has a vault full of experiences and knowledge, which is priceless. We need to guard ourselves from the temptation and ego, which so often prevents us from reaching out and learning from those with proven experience. We should always honor their legacy in the same way as you would want future generations to honor your legacy. In other words, pay it forward.

One reason I love the old Jeeps is that they are tough. They have proven they can take just about anything you throw at them. They are an American icon that represents not only the ingenuity of our forefathers, but rugged individualism, which is "battle proven". Where would today's four-wheel-drive (civilian and military) be without their legacy? Probably the same place we would be without the legacy of those in our Order who have paved our path, who are battle proven, and have proved that they can take just about anything you throw at them.

Together, with them, there is nothing you can't do. #daretodo
