The Pirates of Conclave's Bountiful Booty!

In this year's Section 9 Conclave, Mowogo made out like a bandit! We managed to compete in every available competition! Competitions included inter lodge competitions, ceremonies, dance, drum, admin events, and the cook off! Mowogo not only got Section 9 Honor Lodge, but also got the Section 9 Lodge of the Year award! (See for yourself on page 3) We also did exceptionally well in all Indian Affairs events: our dance team got third place, and 6 of our ceremony teams made honor team! In admin events, our newsletter took first place and the lodge planbook took second! And if that wasn't enough, our own Michael Richter won the "I found Mr. Axe Award"! So all in all, we're all very satisfied with our performance at Conclave!

Next Up, Pow Wow!

If you liked what happened at Conclave, be sure to attend our lodge Pow-Wow on September 23-25! There you will find all kinds of activities from Indian Affairs to Chapter competitions. If you're a new arrowman, this is also a great opportunity to learn what all is available for you in the lodge!

Chiefly Speaking

Brothers, a few weekends ago Mowogo participated in the annual Conclave. Mowogo brought their spirit, cleats, and ceremony scripts ready to dominate the weekend, and they didn't disappoint. All of the ceremony teams that competed received highest honors that could be bestowed, numerous dancers placed in regalia, and we left everything we had on the field.

Even though there were some little rain storms we didn't let it dampen the Mowogo spirit that we always bring with

us. Mowogo let everyone know that we were at every show or event that weekend. To top the entire weekend Mowogo was named Lodge of the year. This is a tremendous step and thank you to everyone for putting their hard work into being the best Lodge in SR-9! G-O! GO BEARS GO!!!

Lodge Advisor's Minute

Greetings Brothers!

What a great year we have had so far. We have many accomplishments under our belt as a lodge and the year is not even half way through.

As you turn the pages of this newsletter, make note of the accomplishments of Mowogo, and her members. Ask yourself, are you involved?

I would first like to congratulate our leadership team for a very well

planned and executed Spring Fellowship weekend. Much work went into the weekend and it paid off. Our youth leadership team was really on top of things making it happen. This success lead nicely into Conclave. The lodge adviser challenged each chapter to a goal which, if reached, would have had us arriving at conclave with 200 members. Two chapters successfully took up the Lodge Adviser's challenge.

Machque met their goal and Japeechen, not surprisingly, exceeded the challenge. Both were rewarded with snickers all around. I would personally like to again say thank you.

The biggest news from Conclave is that not only did we achieve Honor Lodge, but we were selected as the 2011 SR9 Lodge of the Year. I would like to point out that many criteria used to judge us for Honor Lodge were met

Mowogo once again gets the Honor Lodge Award!

under the leadership of my predecessor, James Briscoe. Thank you James for all you have shown me over the years and thank you for leading the lodge to the place where we are now.

In closing, my Brothers, ask yourself if you are taking full advantage of all the programs the Order has to offer. As Pre-camp fellowship comes to a close we should find ourselves

getting ready to work summer camp staff, attending Indian Summer, going to OA Trail Crew or wilderness voyage, or building a new High Adventure base by serving at Summit Corps. You have no excuse to sit at home bored this summer. If you want to learn more about how to get all you can out of the OA, just find me and let's talk. Who knows, you may even be able to

attend for free. Now, go and find the Arrow.

Yours in Brotherhood,

Edward Lacey

Ani-Gatogewi

Ani-Gatogewi has continued to do well over the past few months. Our meeting attendance continues to grow, and every month we get new people. We've really been working hard on making sure we keep members after they go through their ordeal. Last month we welcomed in our new members with food, regalia making, and Frisbee. Our

Vice Chief of Indian Affairs Jacson Moody is continuing his work in ceremony teams, performing at ceremonies at Spring Fellowship. He has been working very hard over the past few months to put together a team within the chapter. The Chapter would not be doing so well without the help of Mike Kien and Ron Hamlin. They have been a

great help to me and the other officers in planning and leading meetings.

I hope the rest of the year sees the progress that we've had over the past few months, and hope the other chapters are doing as well as we are.
Yours in scouting,

John Bolen
Chapter Chief, Ani-Gatogewi
