## Pow Wow

Pow Wow was an amazing weekend of fun and fellowship. We enjoyed training cells on ceremonies, regalia, Cherokee history, chapter meetings, Elangomat training, and even Chainsaw safety.

In the afternoon the lodge participated in quest events for the search of the Black Bear. The chapters played Cross country, egg toss, pie eating, dodge ball,

Frisbee golf, and jerk rope. Lau-in-nih won the Black Bear.

New officers for the lodge were elected on Saturday evening. The new Lodge Chief for the 2009 year is Davis Lacey. The new officers are Connor McKenzie as Vice Chief of Membership, Michael Richter as Vice Chief of Indian Affairs, and John Warren-Aliff as Vice Chief of Communications.

### Winter Banquet

Winter banquet is a time for food, friends, and fellowship. It will be held in Gainesville at the First United Methodist Church on December 6th. Come and bring the whole family as well. And as always there

will be the end of the year slide show.

Winter banquet is sure to be fun and I encourage everyone to attend. The food is really good and it will be an enjoyable time in a new location.

### In Memory Of...

Rudy Bennett passed away October 16, 2008. He was the Advisor to the Vice Chief of Indian Affairs and head of the "Turtle" clan. He received the Founders Award in 2006 and the Vigil Honor in 1991. He had been to several NOACs and was on staff at 4 Jamborees. Rudy loved both Native American things and Colonial American history. His legacy will be one of a true friend and brother that cared deeply about Rainey Mountain and BSA. Please remember him and his family in your prayers.

## NOAC 2009

In the summer of 2009, Arrowmen from across the nation will converge on the campus of Indiana University for NOAC. The National Order of the Arrow Conference is a fantastic chance for new and distinguished Arrowmen alike to get plugged into the Order

level. If you are interested in attending the conference, please speak to your adult advisors, or any of the lodge officers. It is guaranteed to be a trip you will never forget. We are hoping to have 60 brothers go to this.

## 65th Anniversary

This weekend we celebrated our 65th anniversary of the Mowogo Lodge. We honored this weekend by bringing back the original event patch for the lodge.

Many of the past Lodge chiefs were in attendance for the weekend. We even had Abit Massey the original lodge chief for Mowogo Lodge come to partake in the events for this weekend.

## Message From the Chief and Lodge Advisor:

**From your Chief:** I believe this has been an outstanding year for Mowogo. We have risen to the challenge of cheerful service during our time at Arrow Corp.. 5 bringing well above our suggested numbers. There was a strong showing at Conclave, leaving no one to doubt Mowogo's status as a powerhouse; and with the section realignment we will have the opportunity to give the two new lodges a first impression that will be nothing but awe-inspiring. The 65th anniversary dinner was a great chance to see the history and how it has impacted us this far, and it has given us a view of the legacy that we are all working

**From your Advisor:** Webster defines "legacy as something handed down from one who has gone before or from the past". At Pow Wow this year we had the honor to witness the Legacy of Mowogo Lodge in person. To see all those past Chiefs in one place and having an opportunity to speak with them about their lives since serving and their experiences while Chief was the most inspiring experience I have had in Scouting and the OA. I would encourage you to think about the "legacy" that you are creating and how it might impact those in the future. We have a lot of exciting events scheduled for the rest of the year and through out 2009. I hope you plan to be a part of it. A special thanks to Dr Trevor Hooper for his hard work organizing the 65th Anniversary celebration.

**At the present time we estimate that the total fee will be \$600 which will include conference fee plus transportation. The deposit will be applied toward the total fee. We are planning to have 60 Arrowmen from our Lodge attending. In the past there has been a required ratio of 2 youth for every adult. If that is the requirement again, we would be forced to limit the number of adults. As final details are available, we will keep you informed. This can be a once in a lifetime experience for many Arrowmen.**
