## Pre-camp

The lodge held its Pre-camp service weekend on May 16th, 17th, and 18th at Camp Rainy Mountain. We had over 80 candidates go through their ordeal. 210 arrow man came up for a weekend of service as well.

Saturday was a great day for service with no problems due to the weather. Major improvements were made all around camp such as setting up tents for Summer camp.

There was a great effort from all Arrowmen working to help the completion of the strenuous task of setting up camp.

Congratulations go out to our 10 members who received the Vigil Honor.

## Pow Wow

Its that time of year again and Pow-Wow is quickly approaching. It will be a weekend of fun and competition.

Each chapter will compete for the coveted black bear.

The chapter who shows the most sprit will receive the coveted Sprit Award. Deadline to sigh up for this event is September 11, 2008, so don't hesitate to mail in your registration.

## Message From the Chief and Lodge Advisor:

As the year continues on I am glad to see everyone taking to their positions so well. Each of our Ordeal weekends went very well. Even though our year is half way over I want to reassure you that it is not too late to start something new. We constantly looking for new people to get involved in Indian Affairs and any leadership positions. National Order of the Arrow Conference (NOAC) is coming up in 2009 and this is the time to start preparing. We are looking for a large contingent and I would love to see you there. This is a great time to meet Mowogo Lodge members that you may of not known before or to meet people from all across the nation. If you have never been to a NOAC I would most certainly recommend going now and if you have been before I am sure you are already to go back. Pow Wow is our next event and is looking to be very fun. ArrowCops5, the nations largest volunteer service project, went very well and I believe everyone had an amazing time working side by side with fellow arrow men from across the nation. I know from experience that those who went out to the Bridger-Teton had some vary physical challenges but some very inspiring views. I am looking forward to an outstanding rest of the year in service and enthusiasm. Thank you for your service and I will see you at Pow Wow.

Andrew Kastner Andkdk

2008 has been a good year for the lodge. Spring Fellowship was well attended even though the weather was a challenge. The lodge again had the largest contingent at section conclave. Pre-camp saw a lot of work completed to get Camp Rainy Mountain ready for summer. Be sure to encourage our new brothers to attend Pow Wow in the fall. Let them know it is a fun weekend. Next Summer, August 1-6 2009, we're planning for 60 of our brothers attending NOAC, a once in a lifetime adventure for all arrowman. Andrew, John, Adam, and Connor, your lodge officers have done a outstanding job this year. Thank them for all they do. WWW James Briscoe

At the present time we estimate that the total fee will be \$750 which will include conference fee plus transportation. The deposit will be applied toward the total fee. We are planning to have 60 Arrowmen from our Lodge attending. In the past there has been a required ratio of 2 youth for every adult. If that is the requirement again, we would be forced to limit the number of adults. As final details are available, we will keep you informed. This can be a once in a lifetime experience for many Arrowmen.
