2007 for the Mowogo Lodge

This brand new year of the Mowogo Lodge is bound to be the best one YET. Many hours have been spent planing, and re-planning this up coming years events. So don't miss out on some of these amazing opportunities that will be provided all year long. Everybody is a only a part in this "Lodge Machine" and the only way we can get work done is to work together. So everyone is important in this job of continuing a great successful year of OA Leadership, Brotherhood, and most importantly Cheerful Service.

Jordan Smith (Cornbread)

Calling All cooks

Are you a fan of food? Do you love to cook? Are you looking for somewhere to get involved in the lodge? Are you an adult? If you answered yes to any of these questions, we are looking for your help. Mowogo Lodge is putting together a team of workers to help cook meals at our functions. We need 10-15 able bodied adults who are looking to get plugged into the lodge. This is an opportunity to band together with a special handful of other adult leaders.

We need adults to help prepare and cook the food for our lodge functions. You will arrive at our functions knowing your job and having a guaranteed spot in your crew. If you are new to

the lodge or are looking for a way to consistently serve, we could use your help. This is an opportunity to serve the youth of the lodge by letting them work while you cook.

If you are interested in joining this team, or are looking for more information, we have two very recognizable leaders in charge of this project. Please contact former Lodge Chief Brett Lacy (blacy14@uga.edu) or Canantutlaga Chapter Adviser Tom Young (can.adviser@mowogo.org) about this project. Brett and Tom will be in charge of putting together the cook team to develop a permanent crew to assist in the kitchen. Don't hesitate, get in contact with them now!

Canantutlaga Events

Canantutlaga has set course to be Honor Chapter in 2007! The chapter crew includes our fearless leader Brad "Butch" Winterton, Vice Chief of Membership Steven Melin, Vice Chief of Indian Affairs Kenny Hoffman, and Vice Chief of Communications Nick Mahoney. Canantutlaga's VCIA Kenny Hoffman has plans in the works for ceremony and dance teams. In addition, Canantutlaga's VCM Steven Melin has planned out district/chapter elections to where the chapter should be finished with inductions by the end of Spring. **The team has also made plans for the annual joint Brotherhood Weekend in February with Lau-in-nah Chapter. The weekend is a major source of brotherhood conversions for both chapters and Canantutlaga is confident that this will be another great year.**

Canantutlaga has several modes of communication lined up for 2007. This includes our Google Group at <http://groups-beta.google.com/group/canantutlaga>, a yahoo group at, <http://groups.yahoo.com/group/canantutlaga/>, and we also have a myspace group at, <http://groups.myspace.com/canantutlaga>, where VCC Nick Mahoney serves as the moderator. Canantutlaga's VCC Nick Mahoney's screen name is "Templar44(Fluffy)," and our lodge also has a myspace group as well located at <http://groups.myspace.com/mowogo243>. We also have a newsletter that we brought back from the past, The Open Can, that has the latest Canantutlaga Chapter and Mowogo Lodge updates accompanied with the chapter officers' contact information

Yule Log was **DECEMBER 8TH -10TH** (Friday, Saturday, and Sunday) of. This is always an exciting week-end full of fierce competition and fun. It is also a great opportunity to work on advancement requirements so every Scout that attended had a great time. As an additional incentive to dues-paid Arrowmen (only), there was also a luncheon provided at noon on Saturday at Yule Log. Hope you were there!

Chiefly Speaking

Brothers,

I am honored and humbled by the confidence that you have placed in me by electing me your lodge chief, and I am grateful for this amazing opportunity to serve.

It is an exciting time in the history of the Mo-wogo Lodge. We are no longer on the brink of national prominence; we are a prominent lodge on the national level. Our lodge has been featured in the last two issues of the national bulletin, and the eyes of our entire Order are upon us.

With this attention comes added responsibility. As one of the leading lodges in the nation, we have a responsibility to set the standard with our programs, attendance at events, and membership retention. It is my sincere hope that you will join with us in perpetuating this new tradition of excellence.

You can do this by joining us for all of our lodge events this year. Participate in service

activities and training cells. Join the dance team, ceremony team, drum team, or our Indian Engineer team, and you will gain an entirely new perspective. By doing these things, you can expect to grow as an individual but also feel the great self-satisfaction of knowing you contributed to a greater good.

If you are new to our Lodge, welcome to our Brotherhood of cheerful service. We sincerely hope that you will become involved soon and that you will remain active for many years to come. If you have not yet sealed your membership by becoming a Brotherhood member of our Order, I encourage you to do so at one of our Brotherhood Weekends hosted by the Cantutlaga, Lau in nih, and Yona-Hi Chapters.

As we progress through the year, I hope that you realize a higher calling in your life while you cheerfully serve in the coming year. I hope that your faith plays an important role in your service. It is my desire that you learn many things as you cheerfully

serve this year, and I hope that you have a ton of fun in doing so. It is my earnest prayer that you will come to the point that you perpetuate the noble principles of our Order in all that you do.

Warmest regards,
Payton D. Bramlett
2007 Lodge Chief

Machque

Machque Chapter has had a very eventful Christmas Banquet this year, as I'm sure the rest of the lodge had. After a long car ride and registration, our arrowmen sat down and enjoyed an exquisite meal and a wonderful slide show. In a great show of spirit, all 4 ticket collectors were from our chapter! Coming away with many awards, in-

cluding chapter workhorse, a few turtle clan inductions, the prestigious honor chapter, and an amazing Davis Lacey earning more rewards than I'd like to list! On the fun/funny side, many of our members enjoyed the fudge fondue fountain, one (a Taylor Jones) going as far to coat his sash with it! All in all, It's been a great year, with a great

banquet, and we hope for many more to come.
