## Winter Banquet!!

Winter Banquet Issue

November 2005

The leaves have started to change color and fall, the days have gotten shorter and a cold chill has come upon the northeast Georgia mountains and with it brought... WINTER BANQUET!!! That means on Dec 3, you need to be at UGA's Tate Student Center to enjoy a night of enjoyment. Be sure to get your application into the Athens office by Nov 22 or else you will miss out.

**There will be no late registration accepted!** So don't hesitate and miss out. The banquet is a time to fellowship with all your closest friends while enjoying a delicious dinner and watching an always memorable slide show put on by my Doc. Remember this is also an opportunity to share what OA is all about with your family so be sure to bring them as well. You will definitely be missing out on a good time if you don't come, so be there.

## NOAC 2006 at Michigan State

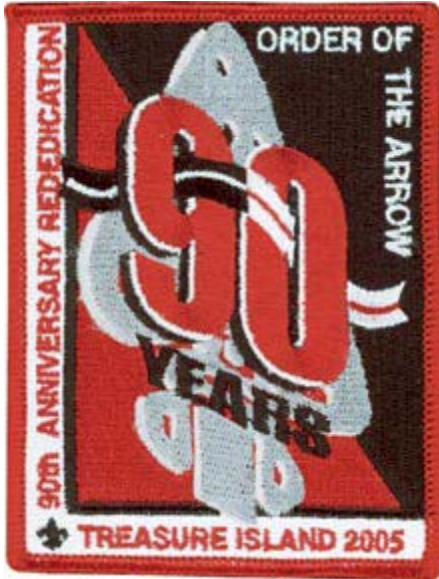

It's time to start preparing for the National Order of the Arrow Conference. The 2006 NOAC will be held at Michigan State University. Arrowmen from across the country will gather for a week to celebrate the traditions of the order and to

fellowship. The lodge has a limited number of spots for the next NOAC; however, there are quite a few of them. Remember that priority goes to those arrowmen who are involved in Indian Affairs since there are ceremony, dance, and

drum competitions on a national scale. Mowogo routinely provides a strong showing in all areas such as our National Honor Pre-Ordeal and Brotherhood Teams, and our nationally ranked dancers.

## 90th Anniversary Patch and Certificate

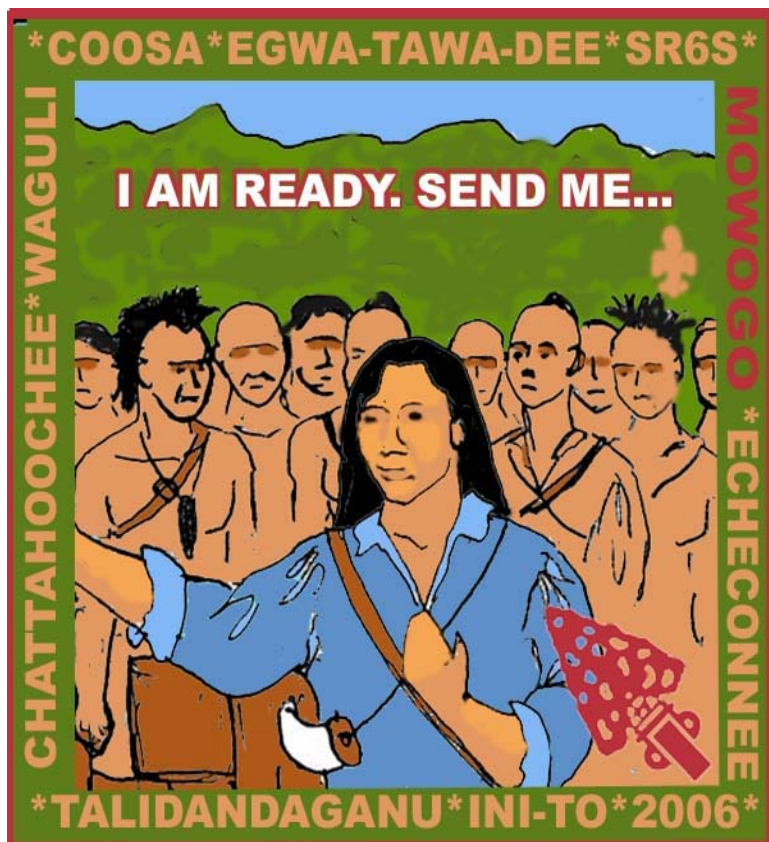

Purchase 90th anniversary patches and certificates for your lodge members by visiting [the OA Trading Post](#). Lodges are encouraged to conduct [rededication ceremonies](#) marking the 90th anniversary of the Order of the Arrow this year, and these items are a great way to commemorate the event. Why not host a rededication ceremony this year at your fall fellowship and commemorate the event with this patch and certificate?

The colorful patch and certificate commemorate the 90th anniversary rededication ceremony at Treasure Island. The 8" x 10" certificate features a digitally re-mastered image of E. Urner Goodman and Carroll A. Edson at the 50th Anniversary celebration and is suitable for framing. The fully embroidered patch is 3" x 4".

## Conclave 2006, Here at Rainey Mountain!!

*I am ready. Send me...* That is the theme for this years conclave that will be hosted by us, Mowogo Lodge. That means that there is a lot of work that needs to be done to get ready for this. To get things accomplished a conclave committee has been formed. In the upcoming weeks and months the committee will be asking you, everyone in the lodge, to respond to the call and do what we do best, cheerfully serve. It is important that everybody pitch in and help out. If there is anybody out there who has special talents or resources please contact Steven Batchelder by way of e-mail and phone. # Vigil Selection Due

My Fellow Arrowmen:

Vigil Selection forms are due by November 15, 2005. These forms, along with a list of eligible candidates can be found on the Mowogo Lodge Website. If you do not know the username or password, then ask your chapter chief or a lodge officer. We encourage everyone to nominate those who they think to be worthy of this honor. I hope to see you all at Christmas Banquet.

## NOAC 2006 at Michigan State

Cont. from cover.

The Lodge is particularly excited for the Ultimate Frisbee tournament as we look to finally claim the top spot in the country after last years emotional second place finish. If you are interested in going to the 2006 NOAC, get involved in Indian Affairs immediately so that you can better your chances of getting a coveted slot. The best place to get involved is the team dance. Look for more information about NOAC and the team dance soon.

If you are interested in taking this great opportunity please be sure to talk to me, Brett Lacy at Christmas Banquet. The estimated cost for the whole trip is \$500. . This might seem like a lot of money but it's an experience like no other. It's defiantly worth every penny.
