Dining Hall Information

Please be respectful to others at your table and do not take a large initial portion as dish portions must feed all 12 people at your table.

That being said, once everyone has served themselves, look around at your table or another for additional servings of food.

At the end of your meal, please remember to take your cup, plate, and silverware to the dish area, making sure to deposit uneaten food in a trashcan on the way.

Furthermore, each table of 12 is responsible for taking the serving bowls and utensils back to the dish area.

As a final note, kindly look around you and pick up anything you or someone else might have dropped on the floor.

Thank you for your understanding and, as always, any feedback is welcome!
