## POW WOW FELLOWSHIP

Brothers, thank you for making this year's Pow Wow an unforgettable experience! Your energy, enthusiasm, and participation truly brought our circus-themed weekend to life. From the fierce competitions to the amazing talent show, and of course, the leadership training, it wouldn't have been the same without each and every one of you. Congratulations to those who earned their Brotherhood, and to everyone who came out, dressed up, and joined in the fun – we couldn't have done it without you! See you next time, and until then, keep the spirit of the arrow alive!
