I hope that you all enjoy your summer, and you each have wonderful adventures near and far!!!!

## CHECK OUT CANANTULAGA'S AND LAU-IN-NIH'S RECENT CHAPTER MEETING

Canantutlaga and Lau-in-nih had a joint meeting in April and we all had a BLAST! The location was at Alexander Park right at the border of our two districts. We played games such as disc golf, spike ball, and cornhole as we enjoyed each other's company and fellowship. If you meet relatively close to another chapter as we do then I heavily recommend doing something similar and promoting the fact that we are one lodge instead of seven separate chapters.

# PLAY SOME MOWOGO GAMES....

Over the weekend of May 5th, Machque Chapter had the pleasure of hosting the Mountain District 2023 Spring Camporee. This year's camporee was pirate themed, so consequently we had a plethora of fun activities, ranging all the way from tug of war to coracle raft building. The scouts of the Mountain District displayed exemplary levels of scout spirit at this event, and determining which of the four troops won the spirit award was very hard for the Machque staff contingent. Our activities concluded with an informational, OA campfire ceremony and the presentation of our activity awards as well as our beloved Roxanne spirit award. On Sunday, our camporee was then closed out with a flag ceremony and a scout's own service. Overall, Machque chapter was successful in fulfilling the vision of this camporee, which was to advertise the OA to scouts not already involved and regain the interest of Arrowmen already in the chapter as well as keep the interest of new Arrowmen.
